Spiritual Application

In other countries there are many things we may not be familiar with. We probably do not have a mud oven next to our house, or our house may not be made out of mud (adobe) blocks. These things aren't bad things; they are just different. What things can you think of that would be the same between the people of Ecuador and the people in your church or school? Everyone needs to eat. Everyone sleeps. Children go to school. They have moms and dads.

Read Romans 3:23. Most importantly, every dad or mom or child needs Jesus. The Bible says that all have sinned. That is why Jesus came into this world. He came to forgive us our sins and to give us everlasting life (John 3:16; 1 John 1:9). Justo, Patricia, and Nathanael are in Ecuador sharing with the people there about Jesus. Maybe God wants you to be an overseas missionary one day too. Maybe God wants you to stay in this country. Wherever you are, He wants you to share Jesus! Do you know Jesus? How can you share Jesus with your friends this next week?
