**Ambassador Institute...**

Precious family and friends,

"Thanks be to God for His indescribable gift!" 2 Cor. 9:15

As the holidays near, we remember each of you with fondness and feel just a little wistful for home. But we are also thrilled to be here and see how God is at work! At the beginning of November, we were honored to have Pastor Kevin Olson with the Ambassador Institute visit us for ten days. He shared with the Paz de Dios church on how to orally share the stories of the Bible. We are confident that God will use this new training to further equip the saints here to effectively share the Gospel with others. The work of discipleship also continues, and we continue to pray for God's blessing as Justo and these young people study His Word.

In other news, we are excited to share that Patricia is expecting again. Our baby is due in early June. Please pray for her recovery from the morning sickness and that she can pick back up the duties of the household. Several of our family members will be visiting us over the next couple months. We look forward to welcoming them to Ecuador!

Rejoicing with you,

*Justo, Tricia  
& Nathanael*
