How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear family and friends,

“For I am the LORD, I do not change,” Mal. 3:6a. We are so thankful that with each passing year and all the unknowns and changes it brings, we serve the Lord Jesus Christ who never changes and remains steadfast in His love and purpose. We are excited about the plans He has in store for us in 2013!

We enjoyed a few lovely days of vacation on the beach with Justo’s brother, sister, and a friend who came to visit us. David stayed longer than the girls and will be with us for the month of January. He is plugging into the ministry here at the church, especially with the youth. Justo’s second cousin, Anja, is also flying in from Germany and will be serving with the church for four months. February is the vacation month here in Ecuador, and Justo will be planning a special youth event for that time. Justo might be picking up some more men for discipleship soon, so keep this opportunity in prayer.

Tricia’s pregnancy continues to go well. Praise the Lord her nausea stage is over! She has enjoyed returning to

normal household activities. Nathanael is practicing standing on his own. We are so blessed to have had his joyful presence in our lives for a full year now!

God bless you all in this new year!
