How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear family and friends,

We have had a very full last few months here in Cuenca. David, Justo's brother, made good use of his time here, and he and Justo coordinated several youth events during that time. In February, we had two major church events we attended. One was a couples' retreat and the other was a family camp for three days. Justo presented during both of these times. We have also been blessed to have Pastor Del and Karen Palmer visiting us the first week in March. They have been viewing the ministry here and helping us assess the risks of living in our area.

Looking ahead to the end of March and the month of April, we will be taking a vacation for a few days away from the city. After that, Pastor Dick Gunderson will be bringing down a group of students from the Bible school.

Patricia continues to move ever closer to her due date at the end of May. She's had some pregnancy aches and pains but is overall doing fairly well. Continue to pray for her and the baby's health. We are getting excited to see our baby girl in a few short months!

Nathanael has been picking up words quickly (both in Spanish and English) and has fun trying out the ones he already knows. We think he will be walking soon!

We continue to grow and learn in so many ways. Thanks again for your loving prayers and support.
