How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear friends and family,

Our baby girl is due the end of May and we are anxiously awaiting her arrival! Justo's sister is coming down to help us out for a couple weeks after the birth, which we are very grateful for. A big thanks to those churches who provided us with baby girl clothes for her first year!

In other news, April was a busy month with quite a few special events with the church. We had a special promotion day for the Bible school the church is helping to start. Justo led a rigorous hike with the youth in the mountains. We also just had a day outing picking apples with the church. The church also had special leadership training classes to help train up men to take more leadership positions in the church, such as preaching and leading services. We were excited to see 20-30 men attend these classes twice a week.

Looking ahead, starting at the beginning of May, Justo is going to be leading a new cell group in a different part of the city. The people living in the area are hungry to grow in God's Word and have been asking for a group for some time. We are praying that God

would bless this new work. June is looking to be a bit lighter in load, purposefully so, so we can enjoy our new baby!

God's blessings to each of you!

Justo, Tricia
& Nathanael
