

Pillman Family in Ecuador

How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear family and friends,

Psalm 37:23a declares, "The steps of a good man are ordered by the Lord: and he delights in his way." We had been working a great deal on the visa paperwork during the month of June and were disappointed when we were denied the missionary visa. We take comfort in knowing that God is directing our steps. Because our current visa expired the end of June, we had to take a quick trip to Peru and reenter Ecuador under a 90 day tourist visa. We are pressing on now for a different visa under our newly born daughter who is Ecuadorian. We are praying that all the paperwork will be accepted by the officials!

The home school kids will be taking vacation over the months of July and August, and Justo will be using the extra time to work on preparing for the classes he will be teaching at the Bible school starting in September. We are excited to see how God will bless this new work and are privileged to be a part of it. The church will also be having a couple of special events in the next two months: a food festival in July and then the

annual church family camp the first week in August. We will be attending both of these events.

We praise the Lord that Tricia has been recovering well from the delivery and that Hannah is healthy. Nathanael dotes on his little sister and has accepted her quite easily. We have the challenge of trying to keep him from smothering her with hugs and kisses. Our growing family keeps us busy!

Thanks so much for your continued prayers and support for our family and ministry.

Justo, Tricia, Nathanael, and Hannah

Praises

- * Praise the Lord for the good delivery and recovery and that Tricia and Hannah are doing well.
- * Praise that the new cell group is still going strong. In addition, new people are starting to attend.
- * Praise the Lord that He is directing our steps and is in control even of government bureaucracy!

Prayer Requests

- * Pray that we would continue to find good balance between family time and ministry.
- * Pray for Justo as he prepares for the Bible school classes. He is teaching on the book of John and how to study the Bible.
- * Pray that we would be granted the new visa. We will be applying for it in September, but for now, we are working on gathering the needed paperwork.
