Who proclaims peace,
Who brings glad tidings of good things,
Who proclaims salvation,
Who says to Zion,

Dear family and friends,

It feels like we have been “on our feet” a lot these past few months with travel to, from, and throughout the US. It was such a blessing to see many of you and to be able to share about the work the Lord is doing here in Ecuador. We are so thankful for children who are good travelers and for the many people who graciously opened their hearts and homes to us while we were on the road.

We arrived back in Ecuador the end of August and are thankful to be settling back into more of a routine. The new school year begins here in September and we are just in the process of setting up the church schedule for this new year.

While we were in the US, the Bible school had to find a new facility. We are so thankful that the Lord provided a place that is perfect for its needs. It is a

of room and fresh air. On top of that, it's much closer to our home so it

only takes Justo 20 minutes to drive to the Bible school when he needs to teach. We were overwhelmed by the Lord's goodness. This year there are five students attending the Bible school. Please pray for them as they begin this new year of study.

Love in Christ,

Justo, Tricia, Nathanael, and Hannah
