

Pillman Family in Ecuador

How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear friends and family,

After a difficult time of sickness from January through March, we are so grateful to God that these last few months we have enjoyed relatively good health. Justo's schedule is very full these days as all the short term assistants have returned back to the US. At the end of May, a recent graduate from AFLBS, Emma Twedt, will be coming down to help Tricia in the home and also help with the youth ministry in the church. She will be staying with us for two months.

We were blessed to receive the AFLBS mission team in April. It was a large group (over 20 people) and they worked with the Bilingüe School's spiritual emphasis week. Justo was the main translator during this time, so he stayed especially busy. We enjoyed working with this special group of kids and were blessed by their willingness to serve and flexibility. We had fun having the whole team over to our home one night for popcorn and "question and answer time with the Pillmans." They had great questions for us!

Other events we have recently participated in:

- * A church leadership retreat immediately following the AFLBS team visit. We were challenged to evaluate our priorities and make sure we were putting first things first.
- * A church family fun day. Justo gave the teaching in the morning.

AFLBS team doing a drama on David and Goliath

- * A youth retreat on the beach, which Justo also taught at. We as a family attended this event. It's al-

Justo teaching at the youth beach retreat

ways a bit of work having little ones at the beach, but we did enjoy the time.

- * Special times of discipleship with other young couples.

Love in Christ,

Justo, Tricia, & family

Praises

- * Praise for the good health we have been having recently.
- * Praise the Lord for the leadership retreat and for the unity we have in the leaders of the church.
- * Praise for the good times of discipling couples we've had recently.

Prayer Requests

- * Pray for Tricia and Joshua. They have been dealing with a stubborn thrush infection for months. Pray that the Lord would give complete healing there. Continue to pray for good health for all the family.
- * Pray for faithfulness for the young people we are discipling. They have been struggling as of late.
- * Pray that the Lord would bless Emma's ministry while she's here.
