How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear friends and family,  
Dan. 2:21, "He changes the times and the seasons... He gives wisdom to the wise and knowledge to those who have understanding."

We enjoyed a change of routine over the summer break and now so quickly the new school year has begun. Though everyone else didn't have school, this didn't mean much of a break for us. As a family we attended church family camp on the beach the first week of August. Justo taught one of the sessions during the week and the kids loved playing in the waves and sand. Mommy enjoyed not having cook for the week but was kept very busy cleaning kids and trying to keep Joshua from eating too much sand.

Besides camp on the beach, Justo also had various out-ing with the church youth. He took one group caving in the jungle on one weekend and the end of August Justo took another group biking and camping next to some hot springs. He enjoyed these times of fellowship and opportunities to invest in these young people's lives.

Largely due to very few high school graduates this past year, there are no students attending the Aletheia Bible school this fall. This is a little disappointing but we are also encouraged to see a good group of high school seniors who have already expressed interest in attending next year. Without needing

joy to see these young couples grow and mature in their faith.

Seasons and ministries change but we are thankful we serve a God who does not change but is the same yesterday, today, and forever.

Justo, Tricia, & family
