How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear friends and family,  
Greetings to each of you in the name of our Lord Jesus Christ! We are so thankful that we share an insoluble bond with each of you, though we live very distant and don't often get to visit together.

We enjoyed our time in the U.S. over Christmas and New Years. It was precious to spend time with our families during that season and we came home ready to begin our work again with renewed energy and passion. We have been doing a lot of hosting of visitors since we returned home.

Our first visitors were Justo's sister, Jessica, along with her husband, Stefan, and family. Stefan owns an audio/visual company in the U.S. and he helped the Paz de Dios church with their sound system. Justo spent a lot of time helping/translating and learned a lot about sound systems in the process.

After they left, Jon Nelson, head of Journey Missions, brought down a team, mostly from Beulah, ND. They worked hard and were such a blessing to us and the church. They painted several walls in our home, giving us a much needed facelift in the décor. Then the team built an impressive playset for the church. It was a lot of work and many people from the church also helped.

Justo was busy every weekend in the month of February. This last Saturday, he helped take a large group

of young people on a hike to seven waterfalls. We are looking forward to the arrival of one more group led

by Kevin Olson in early April to work with the bilingual school. We

praise the Lord for these continued opportunities to serve Him. May the Lord bless each of you wherever the Lord has you.

Love,

*Justo, Tricia, & family*
