

Pillman Family in

Ecuador

(and now on furlough)

May-June 2017

Visiting you!

Dear Family and Friends,

Right now, we are on furlough in Texas and have been enjoying beautiful spring weather. It has been such a blessing to travel and connect with old friends and make new ones. As we visit with you, we are so encouraged by your interest and desire to be a part of the ministry the Lord has given us in Ecuador.

When we are not traveling, we have been staying at Tricia's parents' ranch. It has been so good for the children to learn about the country and have space to run. They love going with Papa and feeding the cows.

The first two weeks in April, justo flew back to Ecuador to assist with a inter-cultural ministry team from the AFLC Bible school. He enjoyed being able to

assist in the ministry with translation, logistics, and encouraging the young people as they served.

In May we look forward to visiting Colorado and Canada for a short while and then the end of May we will be moving up north to Minnesota and Wisconsin. We look forward to connecting with as many of you as possible in the mid-west.

Love in Christ,

Justo, Tricia,
Nathanael, Hannah,
Joshua, & Isaac
