

Pillman Family in *Ecuador* (and now on furlough)

July-Aug. 2017

Furlough travels

Dear Family and Friends,

Greetings from beautiful, green Wisconsin! Probably the biggest adventure these past two months of furlough was a long road trip to Colorado. While in Colorado, we attended and shared at a youth conference at the YMCA of the Rockies.

At the conference, Justo shared an elective related to the theme of missions. We also enjoyed some of the beautiful scenery and great fellowship. It was such a joy to fellowship with over 1,800 other people who attended the retreat. For the kids, touching snow was a highlight of the trip since we don't have it in Ecuador.

Once again we are back in Wisconsin after traveling 3,000 miles with four young children. Thank you so much for your prayers and encouragement. We have been so blessed by the interest and excitement expressed as we share about the ministry in Ecuador. We are looking forward to returning and settling back into the work, ministry, and daily life in Ecuador.

Colossians 3:17 "And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him."

Love in Christ: Justo, Patricia, and family
